

THANK YOU MEMBERS AND SUPPORTERS

Dear River Friends,

Thank you for your generous support in 2009 that helped us make a difference for Illinois' rivers and streams – from reducing pollution from industry and factory farms, to participating in regional water supply planning, to promoting wildlife-friendly restoration projects along the Vermilion and Mississippi rivers, and to training over 60 organizations and hundreds of Illinoisans to be effective advocates for clean water and healthy rivers. Your participation in Prairie Rivers Network makes Illinois a better, greener community for all of the people, fish, and wildlife that call it home. A brief list of our 2009 accomplishments can be found at www.prairierivers.org/tag/accomplishments/.

We ask for your continued support as we fight to keep pollution out of the water we drink and to protect the natural beauty of our rivers. Together, we can safeguard our rivers and clean water for future generations. We are honored to recognize the individuals, groups, and businesses listed below for their generous support of our work in 2009.

Sincerely, Glynnis Collins, Executive Director
