

Rally Against Coal Ash Pollution in Joliet!

Tell Rep. Adam Kinzinger to stop voting against his constituents and protect local groundwater.

Rally for Clean Water August 17th

WHAT:

Join Smiley Subdivision residents at a rally to call on Representative Adam Kinzinger and Chicago area Representatives to protect residents and clean drinking water from coal ash pollution.

WHY: Not only is U.S. Representative Kinzinger ignoring the Joliet's Lincoln Ash Quarry - one of the nation's worst coal ash pollution sites which threatens nearly 100 private wells - he also is voting in Congress to deny his constituents effective protections from this health threat.

WHEN:

Wednesday, August 17th 12:30-1:30pm.

WHERE:

U.S. Rep Adam Kinzinger's office
2701 Black Rd., Joliet.
