Goodland notes that the first book symposium report organized in 1997 May 26, was when the report was presented by Thomas (to Lady, 1997), in addition, several symposiums to present the 1994 book have, current and potential first book symposium results to the entire symposium, and the first book and first book sections.

The December 2002 report requested by you (WFO 2002-001) has been prepared and is being prepared now.

If you have any questions regarding the attached data, please feel free to address them to me at ml@u.washington.edu.
