

Thank you for your interest in Prairie Rivers Network. PRN protects water, heals land, and inspires change!

Important background information:

- 1. Everybody who registers in the Illinois Marathon this year will have a **Race Roster** account. Race Roster is the software the Illinois Marathon now uses, and it's how all donations are made as part of the Marathon weekend. Any technical support should be directed to **Race Roster at support@raceroster.com**.
- 2. Every charity running partner has a **Charity Team**. Every runner has a **Fundraising Page** that we will link to the PRN team. It is critical that if you are fundraising, that you use this team so the public can see how much have raised thanks to you!
- 3. **PRN's charity team** can be found at https://raceroster.com/events/2020/18541/christie-clinic-illinois-marathon-race-weekend-2020/pledge/team/127298.

To run for PRN, you will ask friends and family to support your run by giving to your page. Those donations will sync to PRN's team.

How to Fundraise for PRN's Team

1. If you have **NOT YET Registered, begin here.** If you have already registered, skip to page 4.
