

Illinois Solar for All

Go Solar & Save Money!

Save money on your electricity costs by subscribing to a community solar project through the Illinois Solar for All program!

Guaranteed savings & strong consumer protections for income qualified households.

Maximum Income for Household to be Eligible

Area	Number of People in Household				
	1	2	3	4	5
Champaign, Ford & Piatt Counties	\$38,950	\$44,500	\$50,050	\$55,600	\$60,050

Here's how it works:

1. Solar panels are installed somewhere in your utility territory.

2. If you pay an electricity bill, you can subscribe to this community solar project.

3. You will receive credits on your electricity bill for your portion of the project.
