

# PRAIRIE RIVERS NETWORK ANNUAL DINNER SPONOSHIP OPPORTUNITIES

---

Prairie Rivers Network's mission is to protect water, heal land, and inspire change.

We would love your support and partnership for our Annual Dinner.

This year's Annual Dinner celebrates the rivers of Illinois, our Network's collective power, and the launch of the next chapter of our work.

At this year's event, we will be launching a new campaign. From Cairo to Rock Island to Chicago, our campaign will look upstream to protect wetlands and habitat across the state, educate and mobilize people to address the water quality crisis, and ensure our communities have access to clean, affordable water both now and forever.

**Prairie Rivers Network Annual Dinner**  
**Friday, September 22nd**  
**Pear Tree Estate**  
**6-9 pm**
